

Packing List

Check [the local weather](#) to determine proper attire

- Comfortable Clothes
Jeans / T-shirts / Sweatshirts
Underwear and socks (at least enough for each day)
- Shabbat Clothing
Some participants wear nice pants/slacks and a nice shirt, skirt and blouse, or dress. Dressing up for Shabbat is optional at NFTY678 Kallah – we'll have a little time to change, but we'll be jumping quickly from our Shabbat celebration to exciting programming, so wear something you'll be comfortable in. Please wear something that allows you to comfortably walk around, stand up, sit down, dance, etc. while remaining appropriately covered.
- Jacket, Scarf, Hat, Gloves, etc. for times that we're outside. Camp is snowy and icy this time of year, please bring appropriate footwear for winter.
- A bathing suit for the (indoor) water park
- Water shoes
- Pajamas
- **Medications**
We will collect and dispense medications at this NFTY event. Participants should come with their medication in original packaging. Medication information should be on the participants health forms. If there is additional information that we should know about their medication, please include that with their medicine. Medications will be dispensed by an adult at the NFTY event.
- Toiletries (soap, shampoo, conditioner, toothbrush, toothpaste, deodorant, comb or brush, etc.)
- Bedding (linens, towels, a sleeping bag, and a pillow).
We recommend a towel for the water park and showering.
- Water bottle
- Small bag to carry your things to the waterpark
- Money for the NFTY canteen and if you want to buy a snack at the water park

Please do NOT bring anything valuable, as NFTY is not responsible for any damaged or missing personal
